6. Thinking of the scrutiny of secondary legislation resulting from framework legislation, what practical changes could be made to assist parliamentarians and / or stakeholders in their roles scrutinising and engaging with legislation?

7. What views do you have on Henry VIII powers? In particular, are there any contexts in which you consider their use to be particularly appropriate or inappropriate?

9. Do you have any general comments or views on framework legislation or Henry VIII powers? The Committee would be particularly interested in any evidence you have on the prevalence of framework legislation (in any jurisdictions you are familiar with), whether this has changed over time, and any views you have on the definition of framework legislation.
