RCN Education Forum National Conference 2025

ViPER Guidelines

The following are encouraged:

> The 'discussant' and the presenter should meet, review the poster and agreed discussion points prior to the session commencing, ideally a minimum of 24 hours prior to the ViPER.
>
> The 'discussant' to have a list of key themes/questions ready to stimulate debate and discussion, just in case attendees asked no questions.
>
> It is useful to consider 'lateral,' and/or topical issues as well as those presented in the poster and PowerPoint slides.
>
> ☑ The use of open questions i.e. how, what, where are more likely to stimulate debate and/or discussion.

Moore, M. et al (2001), "A novel approach to research presentations for networks: an evaluation of Visual Presentation with Expert Review (ViPER)", Primary Health Care Research and Development, Vol. 2, pp 205-207.

Presentation and slide preparation

When preparing your presentation and slides please remember to keep language clear and concise, avoiding unnecessary italics and animations. The best presentations are usually the simplest. Practice your presentation and ensure you keep to time.

Standard equipment of laptop, data projector, screen and internet connection will be available in all conference rooms.

If you require any additional equipment, please contact us and we will do our best to accommodate your request. Email education@rcn.org.uk to discuss further.

Submitting your presentation slides
This year we shall be piloting receiving presentation slides in advance using our abstract management system Exordo.
Deadline: 21 March 2025.

To do so, please login to your Exordo account and you'll have a presentation
