

At Congress 2023, the Forum participated in two health and wellbeing activities. The forum also seconded two emergency items at congress in relation to 1) calling for the installation of a commissioner for older people in England/Wales to mirror Scotland/Northern Ireland and 2) lobbying for a dementia specific regional policy in England. Both motions were overwhelmingly successful and supported by Congress. In September 2023, the forum produced a suite of six blogs that were published throughout dementia awareness month. These are housed on the
