”Conducted by staff while at the submitting HEI(s)-

”In the relevant UOA(s).

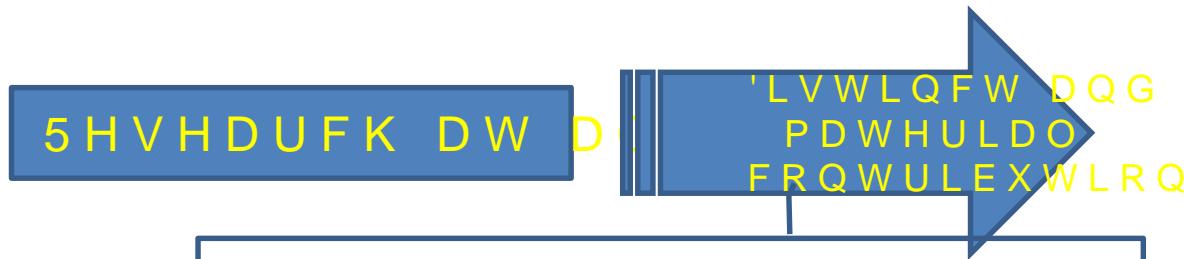

”Evidenced by output(s) between 1 Jan 2000 – 31 Dec 2020.

”Impact must occur between 1 Aug 2013 and 31 July 2020.

”Whether or not underpinning outputs were submitted to the previous RAEs or REF.

”One or more individuals, teams or groups.

”Quality that is equivalent to at least two star. Up to 6 key references (not all research has to be 2*).
”May have been undertaken by Category C eligible staff.
”Can include proxy indicators of quality.

No particular 'model' of impact generation is assumed- May be direct, indirect, linear, non-linear, diffuse, planned, unplanned, etc.

May be a body of work produced over a
